Hello fellow Mustangers.....

I think spring has finally arrived and seems to be getting nicer out everyday. A blessing for those of us not to fond of winter (myself included)! Really nice to wake up and hear the birds chirping and seeing the flowers and grass finally back to life! Take time to enjoy spring, as it's a beautiful time of year and doesn't last long as summer comes upon us in a hurry!

I hope everyone is getting their cars ready to go and fixing and cleaning those last minute items to get ready for the season of event, shows & cruises!.....seems to be shaping up as one of our best years ever and packed full of things to do!

Keep checking our awesome website for events and outing coming up soon, As there will be alot of them upon us very soon and looking forward in getting back to our group outings we all enjoy so much!

A special thanks to Jeff Keating and all his hard work planning and getting the details worked out so all of us can have fun.....its a tough job and as always Jeff put his all into the events! Also to Rhonda for the past year in getting our Great website finally up and going and keeping it so up-to-date every month! This also takes alot of time and it vital to alot of our members as well as a great way to meet new people and pick up new members.....thanks Rhonda! I hope everyone is doing well and can't wait to start seeing you all again as it's been a really long winter and I'm starting to come out of hibernation and getting anxious to get cruis'n with all of you!
